

AFRAJ CHARANIYA

FULL STACK SOFTWARE DEVELOPER

Silvassa, India • +91 8511290712 • afrajcharaniya@gmail.com • [linkedin.com/afrajcharaniya](https://www.linkedin.com/afrajcharaniya) • github.com/afrajcharaniya

PROFESSIONAL SUMMARY

Full Stack Software Developer with 2 years of experience building and deploying production web and mobile applications using PHP/Laravel, JavaScript/TypeScript, Next.js, and the MERN stack. Delivered an AI agent platform, a recruitment portal serving 40K+ candidates, and a business directory app, among other client-facing products. Strong foundation in relational and NoSQL databases, REST API design, and AWS deployment. Comfortable working with distributed, international teams across time zones.

TECHNICAL SKILLS

- **Languages:** JavaScript, TypeScript, PHP, Java, C#, SQL, HTML, CSS, XML
- **Frameworks & Libraries:** Laravel, Next.js, React, Node.js, Express.js (MERN), Django, ASP.NET
- **Databases:** MySQL, Microsoft SQL Server, MongoDB
- **Cloud & DevOps:** AWS (EC2, S3), Git, GitHub, CI/CD pipelines, REST APIs, Meta (WhatsApp/Facebook) API integration
- **Mobile:** Android & iOS Application Development

PROFESSIONAL EXPERIENCE

Full Stack Software Developer | Mohphret Technologies | Full-Time | Vapi, Gujarat, India | Sep 2025 – Present

- Design, build, and maintain full-stack web and mobile applications for business clients using Laravel, Next.js, and the MERN stack, owning features from requirements through production deployment.
- Developed SV Placement, a recruitment platform with dashboards for candidates, employers, and admins, supporting 40K+ candidates and 1,000+ companies, and reducing manual placement workflows by 60%.
- Built and shipped DialKiya, a local-to-global business directory platform on web and mobile, integrating Meta APIs for business messaging.
- Deploy and manage applications on AWS with Git-based CI/CD, improving release frequency and cutting deployment time by 50%.

Software Development Intern | Mohphret Technologies | Internship | Vapi, Gujarat, India | Jul 2025 – Sep 2025

- Contributed production code to client projects in PHP/Laravel and JavaScript, fixing 30+ bugs and building UI components adopted into live products.

Web Development Intern | Internship Studio | Internship | Remote | Jun 2025 – Sep 2025

- Built responsive web pages and forms with HTML, CSS, and JavaScript in a fully remote team, delivering all assigned modules on schedule.

IT Support & Web Developer | Charaniya Development | Part-Time | Silvassa, India | Aug 2023 – Jan 2025

- Developed and maintained the company website and internal tools while providing IT support for day-to-day operations.
